

Dunfermline Abbey New Graveyard Lair Records

This is the official list of the owners of lairs in the New Graveyard of the Abbey Church. The original manuscript is held in the Dunfermline Local Studies Library.

Several of the street names in the list no longer exist. Downieville Crescent was a row of houses on the eastern side of the foot of Townhill Road. Woodhead Street is now the northern section of Chalmers Street. Reform Street is now the eastern section of Carnegie Drive. James Place was the section of Pittencrieff Street west of William Street.

The locations of the lairs are marked on this plan of the Graveyard. There are two gaps in the numbering sequence which cover the two 'free' or 'strangers' burial areas, marked 'nil' on the plan.
